4. Location of Property

5. Zoning District: \_\_\_\_\_
6. Assessing Information: \_\_\_\_\_

7. Size of Property  
(Both in Square Feet  
and Acreage): \_\_\_\_\_
8. Registry References: \_\_\_\_\_  
(Book/Page; Date)  
(Plan Number, etc.)

The undersigned applicant(s) wish(es) to record the accompanying plan, submitted herewith, which is entitled: \_\_\_\_\_

and was prepared by \_\_\_\_\_ and is dated \_\_\_\_\_ (the "Plan"); and, based upon the information submitted with this application and representations made below, hereby requests a determination by and the endorsement of the Norwell Planning Board that approval of the Plan under the Subdivision Control Law is not required under G.L. c.41, §81L and §81P.

The undersigned assert(s) that approval of the Plan under the Subdivision Control Law is not required for the following specific reasons: (Circle reasons below as appropriate.)

1. The Plan does not require approval under the Subdivision Control Law because it does not show a division of a tract of land into two or more lots or a resubdivision.
2. The Plan does not require approval under the Subdivision Control Law because:
  - A. Every lot shown on the Plan has frontage of at least such distance as is presently required under Norwell Zoning By-law § \_\_\_\_\_, which requires a minimum of \_\_\_\_\_ feet of frontage for erection of a building in the zoning district in which the property is located.

And

- B. Each lot shown on the Plan has the minimum required frontage on one of the following types of ways (Circle as appropriate):
  - i) A public way or a way (insert name of the way): \_\_\_\_\_, which the Norwell Town Clerk has certified is maintained and used as a public way. (Attach the Norwell Town Clerk's certificate that the way is public as an exhibit to this application.)
  - Or
  - ii) A way (insert name of the way): \_\_\_\_\_, which is shown on a plan previously approved and endorsed in accordance with the Subdivision Control Law and either has been built or is properly secured under G.L. c.41, §81U, ¶7. The definitive subdivision is entitled: \_\_\_\_\_ and was approved by the Planning Board on \_\_\_\_\_ and endorsed on: \_\_\_\_\_.
  - Or
  - iii) A private way (insert name of the way): \_\_\_\_\_, which was in existence prior to February 9, 1953, the date when the Subdivision Control Law took effect in the Town of Norwell; and that, in the opinion of the Norwell Planning Board, has sufficient width, suitable grades and adequate construction to provide for the needs of vehicular traffic in relation to the proposed use of the land abutting thereon or served thereby, and for the installation of municipal services to serve such land and the buildings erected or to be erected thereon. (Attach the evidence upon which the Applicant will rely to establish that the private way was in existence prior to February 9, 1953 as an exhibit to this application.)

3. The Plan does not require approval under the Subdivision Control Law because the division shown on the plan merely shows a proposed conveyance or other instrument which would merely add to, take away from or change the size and shape of the lots shown in such a manner as not to leave any lot so affected without the minimum required frontage.
4. The Plan does not require approval under the Subdivision Control Law because the land shown on the Plan has two or more buildings located on it that were standing on February 9, 1953 (i.e., when the Subdivision Control Law went into effect in the Town of Norwell) and the proposed division of land would create separate lots on each of which one of such buildings would remain standing. (Attach the evidence upon which the Applicant will rely to establish that each such building was standing prior to February 9, 1953 as an exhibit to this application.)

(NOTE: The division of land under the above subsection (4) may not conform to current zoning requirements and may require further zoning relief before a lawful conveyance under the Plan may occur.)

I/We (circle one) hereby certify that the facts asserted above are true and accurate to the best of my/our (circle one) knowledge after having made a good faith investigation of the facts. I/We (circle one) hereby further certify that all of the owners of record of the land shown on the Plan have assented to this Application and have signed the Application below.
